

Trout Unlimited, The Ted Knott Chapter & HRCA

At Burlingtons' Lowville Winter Games

February 2011

Fun times were had by all at the Burlington Lowville Winter Games. The “Trout Unlimited” Ice Fishing Booth was a sure hit with the kids, and just like in summer the fish were biting. Sometimes they would just nibble and not get reeled in, velcro doesn’t like the winter snow, but at other times they were coming in faster than we could release them. One little guy didn’t want to put his back and Dad had collected almost every fish we had. I think that Mary, Steve, Sarah and Kevin would all agree that this was a day of fun. Next year we’ll even have “Blue Ice” right Mary!
